A powerful finishing option designed to help you do better work **faster**

Do better work faster.

Reduce labor costs.

The Xerox Document Centre 490 Professional Finisher is fast, reliable and easy to use. Now you can bring cost-effective, in-line advanced finishing capabilities into your office environment. You can select multiple finishing features from the user interface, the desktop, even over the Web.

Create great-looking documents automatically—saddle-stitched booklets, manuals, newsletters, reports, envelope-ready folded documents and more.

Stapling

- Portrait, landscape, dual-position
- Up to 100-sheet stapling
- Paper sizes 7.17 x 10.12" to 12 x 18"

Saddle-stitch booklets

- Fold and saddle-stitch up to 15 sheets (for completed booklets of up to 60 pages).
- Fold 1 to 5 sheets without saddle-stitch.
- Handles 8.5 x 11", 8.5 x 14" and 11 x 17" paper sizes.
- Keep booklet jobs in-house to save time and money.

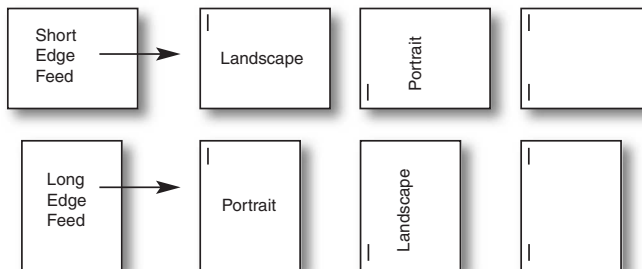

Tri-folding

- Letter-size single-sheet folds.
- Choice of C or Z shapes.
- Automatically fold letter-size documents for insertion in envelopes or for use as bulk mailers or brochures.

Xerox offers a range of options to handle all your finishing needs. If your office doesn't require the complete range of capabilities provided by the Professional Finisher, check out our 50-sheet multi-position-staple finisher.

NOTE: Additional information and specifications on the Professional Finisher will be available September 2002.

Note: Xerox Professional Finisher cannot be used as a stand-alone device. It must be attached to the Document Centre model.
