Xerox WorkCentre® M35/M45/M55 Copier-Printers

Total performance that helps your office work smarter.

Looking for a copier-printer that has the essential features your office needs? Welcome to the Xerox WorkCentre. It's the ideal choice for workgroups that want effortless copying and printing in a single device with none of the hassle.

No question, standout performance and value is where the Xerox WorkCentre family truly shines. With the same

walk-up capabilities as the CopyCentre products, it also provides network printing, optional faxing and scan to e-mail in an integrated, easy-to-use package. And since it's networked, it's like having a "virtual copier" right at your desktop. Print multiple collated and finished sets at the click of a mouse.

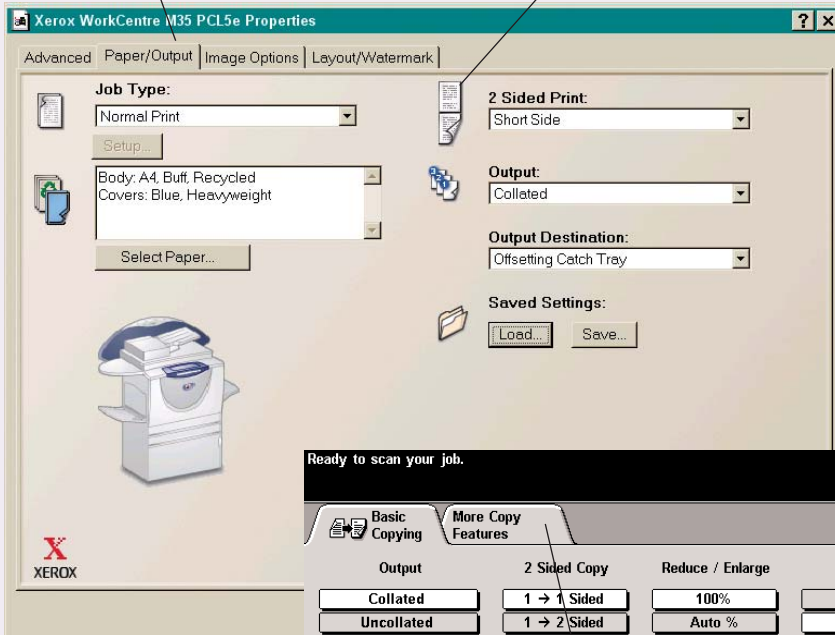

And the price? Some would say it's the best feature.

WorkCentre M55 with High-Capacity Feeder and Office Finisher options.

CentreWare® print drivers have clear graphical user interfaces that make it easy to select all printer features.

Icons clearly depict which features have been selected, taking the guesswork out of job programming.

An easy-to-use touchscreen control panel provides convenient access to all of WorkCentre's advanced capabilities.

Exceptional capabilities. Amazing value.

Track your print job's progress and view the WorkCentre status conveniently from your desktop.

View and control print jobs at the WorkCentre's touchscreen interface. No need to walk back to your desk.

Scan hard-copy originals directly to e-mail.* Instantly send documents across your network or the Internet—all without the need of a PC.

Safeguard your electronic data with the exclusive Image Overwrite Security option. It clears all images from the system's hard drives, ensuring that your private data stays that way. WorkCentre models also provide restricted access to network configuration settings.

* Optional accessory

The shape of things to come.

Introducing the new Xerox CopyCentre™ Digital Copiers and Xerox WorkCentre® Copier-Printers. Two remarkable new product families designed to give you the essential features you need—for less than you'd expect to pay. And since they're modular and fully upgradeable, you can easily add capabilities as your needs grow.

Xerox CopyCentre™ C35/C45/C55 Digital Copiers

Smart. Reliable. Simple to use.

True to its lineage, the CopyCentre combines the essential copying features and functions you need with the professional-quality output you've come to expect from Xerox—the first name in copiers.

When it comes to rock-solid performance, the CopyCentre family is in a class of its own. Built for endurance, it delivers day-in, day-out reliability. And its image quality? Truly world-class. The CopyCentre family's patented AutoIQ can instantly monitor and adjust settings for optimum output.

Plus, it's designed to be extremely simple to maintain. In fact, automatic monitoring features can actually help prevent problems *before* they occur. All of which guarantees you will be busily churning out great work—more quickly and reliably than ever before.

CopyCentre C35 with Duplex Automatic Document Feeder and Offsetting Catch Tray options.

Think of it as your office's newest “go-to” performer.

Choose from 35, 45 or 55 pages per minute models—each with an amazing space-saving footprint. Proof positive that world-class performance *can* come in small packages.

Maximize productivity and uptime with timesaving Customer Replaceable Units. Simple and quick to replace, they'll make sure you avoid downtime and stay up and running.

Effortlessly handle a wide array of media—from light papers to heavyweight stock—from any tray.

Enjoy production-class finishing with automatic collation, single or dual stapling, and hole punching.

Send *and* receive faxes at the same time with the optional two-line fax accessory. It's like having two fax machines in one.
